

Text: John 14:1 ... Daniel 12 ... For the Preacher

A man rushed to work one morning and without realizing it, he left his keys in the ignition that included also his house and garage keys. Rushing back to the car he saw it was gone. Alarmed, he called 911, etc ... reported the theft and went on thru the day doing his day's demands. The next day when returning back to work, he noted the car had been returned. He looked inside and noticed a special note: It said, "I'm sorry to have borrowed your car without your permission, but I had an emergency. I cleaned the car and have also included two Kentucky Wildcat basketball tickets to show my appreciation. The man was so elated, he called his wife and told her everything and expressed how much he liked the Kentucky wildcats. They traveled to the game and enjoyed its features. When arriving at home they noted all their furniture and belongs were gone.
